

**When should you report suspicious activity?
If you see something, say something!
You may be witnessing a crime!**

If something makes you uncomfortable or suspicious, don't hesitate! Report it immediately!

CHALLENGE unknown visitors for proper identification and question freight or deliveries arriving at a facility without proper paperwork or authorization.

OBSERVE your surroundings for suspicious individuals loitering or observing a facility and its associates, disruptive visitors, security breaches such as open doors, broken windows, locks not working, etc. These could be signs of tampering.

REPORT what you see to your supervisor or security personnel immediately if you see something out of the ordinary. Your supervisor and security will decide how to handle the situation. Don't ignore something if you are suspicious.

PARTICIPATE in the security of our associates, our facilities and our nation by remaining vigilant, alert and aware of your surroundings and those around you.
